For any other cancellations by us, parents will receive a WhatsApp message and email at least one day prior to the session date. All players registered to attend will receive a free make up session.

2.Cancellation / Injury

Players registered to the term will remain on the course until completion, any players wishing to leave during a course will receive no refunds of monies paid. Exceptions will be made in cases of injury or sickness. In the case of injury or sickness a credit will be awarded for the following term. For any other cancellations by us, parents will receive a WhatsApp message and email at least one day prior to the session date. All players registered to attend will receive a free make up session.

3.Conduct

All players registered with Fox Football Vietnam are accountable for their behaviour and conduct. Any abuse (physical or verbal) against members of the public, staff or other players will be treated with ZERO tolerance and will result in the immediate discipline from Fox Football Vietnam.

4.Missed classes / make up sessions

Make up sessions will only be granted if 6 hours notice of absence is given. Please understand that all lessons are planned with the numbers expected to be in a session. Failure to let the coach know of absence can disrupt the whole session plan.

5.Session Cancellation (rain, facility issues, holidays etc)

We always try our best to keep a session on, however, if a session is more than 50% complete and then forced to a stop (due to weather conditions) no make-up session will be granted. If less than 50% is complete a full make up session will be granted. This will only be relevant to those that were at the session. Please always assume a class is running unless you hear from Fox Football Vietnam directly. Fox Football Vietnam will always make you aware if a session is cancelled. All holidays and 'off' times are advertised within the sign up. However we will also send a whatsapp message to remind you.

7. Conflict of interest

At Fox Football, all of our coaches are professionals and have worked many years to gain the correct qualifications through the world's best educators and governing bodies. As well as the best possible education, we have invested financially, very heavily into our curriculum and best practices. With this is all in mind, coupled with our education pathway, we have a "One club policy". This means, if you are training with Fox Football you will not be permitted to play with another football club. This is to ensure our coaching points are not contradicted, players are not overworked and that players develop a loyalty for the badge they wear. We are also very aware of the importance of representing a school team and thus is not a conflict.

Players are expected to show respect to all involved, team mates, opposition, coaches and officials. We leave the facility in the same state as we arrive, this means we clean up after ourselves.
